

Scotty's Brewhouse is committed to the safety of all of our guests. We do have ingredients in-house that contain gluten and are used in the preparation of other menu items. **Because the risk of contamination is always present, Scotty's asks that all guests with food allergies or intolerances make their server aware of this and any special dietary needs to ensure a safe dining experience.**

Gluten-Free

You don't have to give up taste when you're living gluten-free.
